

WHAT IS A COMMUNITY CONNECTOR?

As trusted community member, Community Connector play a critical role in identifying and engaging with people with disability and their family .

Collaborating with partners in the community, Community Connector are able to help participants who require additional assistance to access the NDIS and use their plan.

Community Connector

How can they help me?

Community Connector and our PITC (Local Area Coordinators) will work together in many ways to better support people with disability and their families.

Also supporting the community in Tenterfield/Glenn Innes/Inverell/Ashford/Guyra /Walcha/ Uralla and Armidale .

WHAT CAN A COMMUNITY CONNECTOR SUPPORT IN?

- Collaborating on outreach activities to build better community awareness of the NDIS.
- Providing assistance to potential participants on the NDIS access process including:
 - Verbal access requests
 - Completing the access request form
 - Collating evidence to support an access request.
- Supporting participants who wish to communicate directly with NDIS.
- Supporting participants and their families during per-planning, planning and plan review meetings.
- Request a plan review
- Request a review of an access or planning decision .
- Report a incident on behalf of participant or making a complaint.
- Supporting participants, families and carers to maintain and/or reconnect with their NDIS support.
- Supporting people with disability who are not legible for NDIS.
- Supporting PITC to better understand and engage with target cohorts
